SARASOTA COUNTY TREE TRIMMING

County crews continue trimming street trees along the county-owned roadways of Palmer Ranch. Crews are currently trimming trees along the roadsides of Sawyer Loop Road. Once completed, crews will be trimming along Northridge Road. Expect lanes to be closed while trimming is done in some areas. Please use caution in work areas.

Plant of the Month

HELEN JOHNSON BOUGAINVILLEA (*BOUGAINVILLEA GLABRA* 'HELEN JOHNSON')

Butterflies and humming birds are attracted to the garishly bright magenta flower-like leaves called bracts of the 'Helen Johnson' Bougainvillea. The true flowers of this sun loving evergreen shrub are small and tubular. Large clusters of the inconspicuous flowers and their papery petal-leaves emerge at the branch tips of this small, but showy plant. Shiny hunter green foliage on exquisite arching branches lend balance to this hardy landscaping favorite.

Planted this year as part of the Master Association enhancement project, you'll find these Bougainvillea cheerfully blooming now, along areas of McIntosh Road, Honore Avenue and Central Sarasota Parkway.
