CENTRAL SARASOTA PARKWAY FLASHING LIGHTS AT THE LEGACY TRAIL

Many pedestrians and cyclists are **pushing the button** to activate the flashing lights at the Legacy Trail crossing at Central Sarasota Parkway.

1. Push Button to Alert Motorist
2. Wait for Vehicle to Stop
3. Make eye contact with the driver
4. Cross Carefully

Florida law grants cyclists on a crosswalk the same rights and responsibilities as pedestrians. Drivers are required to yield to pedestrians in the cross walk. The purpose of the flashing white lights is to alert motorists that there is someone entering the crosswalk and they must yield.
