Hurricane preparedness is drilled into our physique on June 1st of each year, and is regularly repeated until we reach the end of our storm season. If you have not already done so, make certain your potable water and food resources are well stocked in your intended place of safety. Should you need to obtain a list of items you need to have, visit: www.READY.gov.

2. BE INFORMED!

Stay tuned to local news outlets via television, computer or radio for the latest updates on the path of the storm and continuing changing conditions.

3. MASTER ASSOCIATION OFFICE

Should there be a reason for the office to be closed during normal operating hours, we will post the information on our website (www.PalmerRanch.net), Facebook page as well as on our telephone recording (941-922-3866).

The management staff will be monitoring the weather forecast regularly. We wish you all the very best and, please, STAY SAFE!!

News You Can Use

PATRIOT DAY- SEPTEMBER 11

Monday, September 11, 2017 will mark the 16th anniversary of the terrorist attacks in New York, Pennsylvania and Washington DC. It is a solemn occasion, and a chance to honor those who died and the heroes that emerged that day. It is customary to observe a moment of silence beginning at 8:46am marking the time the first plane struck the North Tower of the World Trade Center on September 11, 2001.

Out of an abundance of caution and safety concerns, small US flags are not being placed and large flags will be taken down at the Palmer Ranch entries, due to impending storm.
