

## Palmer Ranch Master Development Order

The Palmer Ranch Master Development Order (Resolution No. 84-418) has been amended twenty (20) times to date. The previous amendments involved the following:

- a) Resolution No. 86-203, adopted by the Sarasota Board of County Commissioners on May 13, 1986, to reflect changes to Land Use/Housing conditions;
- b) Resolution No. 89-98, adopted by the Sarasota Board of County Commissioners on March 21, 1989, to formally adopt the Transportation Reanalysis that provided supplemental traffic impacts and transportation conditions to address compliance with projected 1995 levels of development of the Palmer Ranch DRI.
- c) Resolution No. 89-99, adopted by the Sarasota Board of County Commissioners on March 21, 1989, to formally establish the Affordable Housing Program within the Palmer Ranch Master Development and map identifying areas for the provision of required low and moderate income housing within the Palmer Ranch DRI.
- d) Resolution No. 91-170, adopted by the Sarasota Board of County Commissioners on July 9, 1991, to formally adopt the "Eastside Environmental System Analysis," add 127.2 ± acres northeast of the original boundary and amend the Master Development Order supplement necessary to provide detailed information concerning issues including native habitats, rare and endangered species, drainage, water quality, floodplains, and historical and archaeological resources. It also included modifications relating to the park locations, internal commercial areas, and the legal description.
- e) Resolution No. 99-179, adopted by the Sarasota Board of County Commissioners on July 14, 1999, to provide impact fee credits and reimbursements for certain road, park, and utility improvements made by the development, and the addition of 1.5 ± acres to Parcel S. This resolution is consistent with the Stipulation of Settlement agreed to in conjunction with the lawsuit filed by Palmer Ranch against Sarasota County.
- f) Resolution No. 2000-096, adopted by the Sarasota Board of County Commissioners on April 26, 2000, provided for the relocation of a designated school site from Parcel Q-1 to Parcel U-3 and the redesignation of Parcel Q-1a from "institutional (school)" to "internal commercial."
