MEMORIAL DAY FLAGS AT HALF STAFF FROM SUNRISE TO NOON

On Palmer Ranch, smaller US flags have been set out to mark the Memorial Day period, with the flags lowered to half-staff on **Monday, May 28th** from sunrise to noon. Memorial Day, originally called Decoration Day, was first observed on May 30, 1868, when flowers were placed on the graves of Union and Confederate soldiers at Arlington National Cemetery. It is a day of remembrance for those who have died in our nation's service.

DWARF VARIEGATED ARBORICOLA (SCHEFFLERA ARBORICOLA “TRINETTE”)

Arboricola is a sturdy, long-lived plant that requires only minimal maintenance, is a dwarf version of the umbrella tree plant. These hardy plants rarely flower as foliage plants, but may produce clusters of round orange-red berries if left unpruned in the landscape. Tropical evergreen plants from Taiwan, the arboricola grow complete with branch roots that give them a small Banyan tree look. Outdoors, pest problems are rare for these drought and heat tolerant plants, and while a frost may cause leaf drop, they will come back when the temperature is once again warm.
