HONORING ALL VETERANS ON VETERAN'S DAY

Veterans Day is a time to thank those who are serving or have served and are still with us. Memorial Day is to reflect and remember those who lost their lives in service to their country. Confusing the two or combining the two diminishes the importance of both. As we approach the official Veterans Day, on **November 11th**, we would like to honor our Palmer Ranch neighbors who are serving or have served in the armed forces. As you peruse the listing of veterans we've attached, and come across the name of your friend and neighbor, take time to say 'thank you.' From all of us at the Master Association office, we thank you for your service and sacrifice. We are forever grateful!

BIRDIES FOR THE BRAVE

TPC Prestancia is hosting a charity golf tournament benefiting Birdies for the Brave® on **Monday, November 12th, 2018.**

Birdies for the Brave was originally created in 2006 by PGA TOUR player, Phil Mickelson, and his wife, Amy, to support combat-wounded veterans. The PGA TOUR subsequently adopted the program, and expanded it to include a wide variety of military outreach and appreciation activities during PGA TOUR events, as well as a series of fundraising events conducted at the PGA TOUR's Tournament Players Clubs (TPCs) and Heritage Golf Group courses across the nation – an effort that has raised more than \$17 million for non-profit military home front groups that are supported by PGA TOUR players, which provide direct support to military members, veterans, and their families ranging from financial aid, rehabilitation services, counseling and housing to educational scholarships and career development. On The Grounds

CRAPE MYRTLE (LAGERSTROEMIA)

Sometimes called the "Lilac of the South," the crape myrtle with its abundance of warm weather flowers has become a favorite of Southern landscapers. These deciduous shrubs or small trees produce cascading clusters of flowers called panicles at the tips of their branches from late spring all the way until fall. This hardy plant flourishes in full sun with plenty of breathing room. Even during the Florida winter the Crape myrtle adds interest to the countryside with the gnarled shape of its multiple trunks.
