FLORIDA MASTER NATURALIST PROGRAM

The Florida Master Naturalist Program is an adult education UF/IFAS Extension program developed by the University of Florida and provided by many Extension offices and participating organizations throughout the state of Florida. FMNP training will benefit persons interested in learning more about Florida's environment or wishing to increase their knowledge for use in education programs as volunteers, employees, ecotourism guides, and others. *The mission* of the Florida Master Naturalist Program (FMNP) is to promote awareness, understanding, and respect of Florida's natural world among Florida's citizens and visitors. A variety of courses are available in Sarasota. For more information on this program, visit: <http://www.masternaturalist.ifas.ufl.edu/> or call (941) 861-5000.

On The Grounds

FOXTAIL PALMS (WODYETIA BIFURCATA)

The enchanting Foxtail Palm is extremely popular for its perfect proportions and full, rounded fronds. The foxtail is a reasonably salt-tolerant palm and is considered self-cleaning, as old fronds fall off by themselves, and is available in single or multi-trunk specimens. Its smooth gray trunk is topped with a bright green crownshaft and big tufted fronds that resemble the bushy tail of a fox. These South Florida palms like plenty of sunshine and they're moderately drought-tolerant once established, although a regular watering is ideal.

Location: *McIntosh, Sawyer Loop, Northridge, Palmer Ranch Parkway East*

Do you want to hear about the news on Palmer Ranch first hand? If so, simply visit our website: www.PalmerRanch.net. At the bottom of the home page, simply click on 'Sign Up For Our Newsletter.' You'll then be asked to provide your email address and first name. It's that easy!

Palmer Ranch Master Association – Mission Statement

'Our mission is to enhance and maintain the aesthetic quality of Palmer Ranch and to preserve the overall unique identity and sense of community.'

CALLING ALL VOLUNTEERS!!

To help Palmer Ranch Master Association get our Butterfly/Pollinator/
Wildlife Garden Planted!!

Volunteers needed for SATURDAY March 23rd:

Starting at 8:00 a.m. FOR Planting and mulching

If you showed support for having the Garden, then please come out and help us get over 300 plants/shrubs and small trees in the ground. The area is somewhat uneven so please wear appropriate footwear, long pants, sun protection and, of course bring water for drinking. Because there are no bathroom or water facilities in the area, we're asking that you plan accordingly. We will be on site until the last plant is put in the ground. Please email sue@palmerranch.net, or call 941-922-3866 if you have any questions.
