On The Grounds

LITTLE GEM MAGNOLIA (MAGNOLIA GRANDIFLORA “LITTLE GEM”)

‘Little Gem’ is a dwarf Magnolia with leathery green and brown leaves that produces large, cream to white, cup-shaped flowers which are showy and fragrant. Little Gems bloom during spring and throughout the summer adding a very elegant style to the landscape. Also known as the dwarf Southern magnolia, the beautiful blooms give way to cone clusters from late summer to early fall that release small red-coated seeds. ‘Little Gem’ magnolia is very hardy and does well in full sun and hot conditions, making them a perfect choice for the sometimes challenging Florida landscape.

Palmer Ranch Master Association – Mission Statement

‘Our mission is to enhance and maintain the aesthetic quality of Palmer Ranch and to preserve the overall unique identity and sense of community.’

CALLING ALL VOLUNTEERS!!

To help Palmer Ranch Master Association get our Butterfly/Pollinator/
Wildlife Garden Planted!!

Volunteers needed for SATURDAY March 23rd:

Starting at 8:00 a.m. for Planting and mulching

The area of the garden is somewhat uneven (roadway common area) along the Village Walk boundary on Honore Avenue. Please wear appropriate footwear, long pants, sun protection, bring water and work gloves, no other tools are required unless you'll need something to kneel on. Because there are no bathroom facilities nearby, please plan accordingly. I've attached a map showing where to park if you're not planning on biking, walking or jogging. Our landscape vendor (Bloomings) has offered the use of a golf cart so we can shuttle people back and forth. We will be on site until all the plants are put in the ground, we're hoping if enough people show up it should only take about 4 hours.

The best **St. Patrick's Day** parties
aren't always at the pub.

Come enjoy some Irish fun, food and plenty of pints this St. Patrick's Day as you experience firsthand the lifestyle and the care that you deserve.
