SPRING PRUNING OF KNOCKOUT ROSES

Next week, weather permitting, landscape crews will be pruning the Knockout Roses in areas of Central Sarasota Parkway and South McIntosh Road. Please use caution around work areas.

TURF REFURBISHMENT

You will note small squared off sections of median turf in certain areas of the property, turning yellow/brown. This is a continuing program based on monthly inspection for replacement of areas infested with uncontrollable weeds before they spread further, thereby costing more. Weather permitting, replacement turf is scheduled to be installed on **Monday, June 8th**.
