PET LOVERS - PALMER RANCH PARKS COMMITTEE NEEDS YOUR FEEDBACK!

As some may know, the Master Association Parks Committee has been working with County officials on a plan to build a 'Paw Park' at the Culverhouse Nature Park on McIntosh Road.

Once constructed, the Paw Park would serve the needs of dog owners and friends on Palmer Ranch as well as central Sarasota County. The committee would like to share how much interest we have for the Paw Park project with county officials. We need to hear from you!!! Please take a moment to send an email, with your comments, to Carrie Augusto at the Master Association office: prma.carrie@verizon.net.
