Tribute to Bill Altman

Palmer Ranch community has lost one of its most valuable assets. On February 11th, Bill Altman, Board Member/Treasurer of the Palmer Ranch Master Property Owners Association, Inc. passed away suddenly. With his passing, the association has suffered a great loss – a true community volunteer.
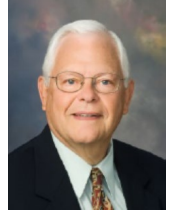

Over the years, Bill served Palmer Ranch in many different capacities and he served it well. For those people who had the pleasure and the privilege of working with Bill, his advice and assistance will be sorely missed.

With the goal to make Palmer Ranch the best community in Sarasota, he devoted many hours of his time working toward this goal. The people, who are currently serving the association as board members, officers, committee members, and employees as well as those serving in other capacities, will now feel a duty to make Bill's wish come true.

For your many years of service, Bill, we thank you!

News You Can Use

NATIONAL VIETNAM WAR VETERANS DAY – MARCH 29TH

National Vietnam War Veterans Day is a commemorative holiday in the United States, which recognizes the sacrifices that veterans and their families made during the Vietnam War. It is also a day to give proper recognition to the men and women who returned home from that war and didn't receive a proper welcome home. It's a holiday that's been celebrated since 1973 on either March 29th or March 30th of each year through a patchwork of state resolutions. However, in 2017, the date of the holiday was set as March 29th. This day is now officially known as National Vietnam War Veterans Day.

From all of us at the Master Association office, we thank you for your service and sacrifice. We are forever grateful!

Palmer Ranch Master Association – Mission Statement
'*Our mission is to enhance and maintain the aesthetic quality of Palmer Ranch and to preserve the overall unique identity and sense of community.*'

Sue's Grounds Corner

Community Emergency Response Team (CERT) is becoming one of the most important emergency response programs in the area. With more and more people moving into the area, it's becoming critical that we have residents that can help Sarasota County Emergency Services during times of disastrous weather events. During times of disaster, Emergency Services personnel will not always be able to help everyone at the same time, CERT can make a difference by being first on the scene in your community. CERT is about "neighbors helping neighbors" and doing the greatest good for the greatest number. With CERT training, volunteers can provide basic medical aid, treat the life-threatening emergencies by opening airways, controlling bleeding, shock treatment, splinting, using a fire extinguisher, turning off electric/gas, searching & rescue until EMT's arrive and addressing the needs of survivors.

There are a number of communities within Palmer Ranch that have viable CERT programs already in place. There are also communities that don't have CERT programs established. If you live in Cobblestone, Deer Creek, Esplanade, Hammock Preserve, Huntington Pointe, Isles of Sarasota, Turtle Rock and VillageWalk, CONGRATULATIONS, you live in a community that has a well-managed and well-trained CERT team in place. Contact your Team and join with them to help.

If you live in any of the other communities, take the steps to start a CERT team.

As an added incentive, the Palmer Ranch Master Association Board of Trustees wants to encourage community members to begin a CERT team by reimbursing the cost of a CERT Kit. Palmer Ranch will provide up to $1,500 each year to provide "CERT Kits" to members of the Palmer Ranch community who complete the CERT training.

The first step in forming a team is to investigate what CERT is. Sarasota County maintains a website that shares information about everything CERT (https://www.scgov.net/government/emergency-services/community-emergency-response-teams-cert). If you decide to form a team in your community, contact the CERT Program Manager for questions regarding CERT Programs and free training. Please call (941) 861-5000 to get connected. CERT is an excellent way to meet your neighbors if you are new to the area.
